DEPUTY DIALOGUE

Welcome to the first Newsletter for Term 3, the weeks are flying by and we are fast approaching the second half of the Term already. Our Principal Bronwyn Wright is enjoying a well deserved break and will be back on board in Week 6.

Semester One Awards Assembly

Congratulations to all students who received a Highest Achievement, Merit or Attendance Award at the Semester One Awards Assembly on Tuesday 12 August 2025.

The Highest Achievement Award is given to a student who has excelled and achieved the best results in a particular subject and it was pleasing to see in most subjects that there were several students competing for this award. In most instances, there was only a difference of 1-2% between the top student and their runner-up. The Merit Award is chosen by the subject teacher, who picks a student they believe always tries their hardest in class to improve and develop. We want all our students to work hard and strive to achieve their best results – so a big congratulations go out to those students as well.

Thankyou to all parents and families who attended the Awards Assembly and helped us recognise our student's fantastic achievements.

Parent / Teacher Interviews

We held Parent / Teacher Interviews on Tuesday 12 August 2025, following the Semester One Awards Assembly. It was pleasing to see such a good turn out of parents and guardians.

Thank you to the families who managed to complete the parent survey on the afternoon. If you haven't already completed the survey, could you please follow the QR code to have your say about how you feel the school is going. This will assist us with our planning and focus on the continued development and improvement of the school.

Year 10 Parent Information Evening

Following the Awards Assembly and Parent Teacher Interviews on Tuesday 12 August 2025, we held an Information Evening for current Year 10 students and their parents. It was pleasing to see the majority of our students and their families attend the evening.

The students learnt more about course options for Year 11 & 12, and more specific information about Senior School structure and how it works.

Following on from this evening, there are counselling sessions available during Weeks 6 and 7 to meet with the Curriculum Coordinator, Deputy Principal or Principal to further discuss course options. In preparation for this meeting, the students need to have researched each of the courses in which they are interested. The course selection sheet should be completed as much as possible **prior** to the meeting occurring. At this meeting, information specific to your child's career goals will be highlighted as part of the decision making process.

Please contact the Office on (08) 9653 9200 with your name and preferred booking time.

Year 9 Careers Expo

On Friday 25 July 2025, the Year 9 students attended the Careers Expo at the Perth Convention and Exhibition Centre. All the students were well-behaved and enjoyed the opportunity to speak with different stall holders and try different interactive experiences. Through discussions with students following the event, I believe that each of them found several careers they are potentially interested in and gained some fresh knowledge and new ideas from the day.

Peter Hall
Deputy Principal

A MESSAGE FROM OUR P&C

Can you believe we're already in Term 3? The year is flying by, and our P&C has been busy as ever! Here is what's happening!

Athletics Carnival, Friday 29 August

The countdown is on for our Athletics Carnival! Lunch orders are now available and must be returned by Monday 25 August.

On the day we'll be running a stall with drinks, morning tea and faction carnival merchandise. We would love donations of morning tea items from parents - these are always a hit and a huge help in fundraising!

Athletics Carnival Hair Braiding

Our President, Adeline, will be set up bright and early (6.00am - 8.30/9.00am) offering hair braiding for \$5.00/student. Students can choose from ribbon, hairspray and zinc to show off their faction spirit. This will be first in, best dressed, so if your child is keen, please contact us via Facebook or email.

2026 School Ball Sub-committee

Planning for next year's School Ball is kicking off soon, and we're forming a sub-committee! We need at least two students and two parents to join us.

Students from any year group are welcome - it's a great chance to see how a School Ball is planned, share ideas and be part of something exciting. If you would like to get involved or just want to learn more please reach out via Facebook or email.

SEMESTER 1 AWARDS ASSEMBLY

The Semester One Awards Assembly was held on Tuesday 12 August 2025 where we recognised the academic achievements of our students from Terms One and Two. We presented Highest Achievement Awards to students who received top marks in a particular subject and Merit Awards to students who always try their hardest in class.

We also recognised students with attendance over 95% from Semester One. We had 47 students with this fantastic level of attendance! There is also an honourable mention to the 9 students who had perfect attendance of 100% - well done and keep up the great work! At Central Midlands SHS we believe that attending school every day enables your child to get the most out of their education and create a bright future. Research from the Telethon Kids Institute tells us that children who go to school regularly do better at school. This helps them create more opportunities for their future and leads to better health, social and work outcomes. Every day your child learns something new at school, they build on what they know and they grow their knowledge and skills.

Well done to all the students who received these awards, keep up the fantastic work!

CROSS COUNTRY, ENEABBA

A group of 24 students travelled to Eneabba for the annual Cross Country event on Friday 1 August 2025. The students represented Central Midlands SHS fantastically and should be commended for their efforts and resilience. We are incredibly proud of these students, coming away with multiple place-getters and winning the overall shield which is an amazing achievement.

THE NEXT GENERATION: STRENGTH, VISION & LEGACY

6-13 JULY 2025

On Thursday 7 August 2025, Central Midlands SHS students and staff celebrated NAIDOC Day. Staff and students participated in a wide variety of activities including; damper making, a tour of the local reserve, painting pots, face painting and playing of the didgeridoo.

As we enter 2025, NAIDOC Week marks a powerful milestone: 50 years of honouring and elevating Indigenous voices, culture, and resilience. The 2025 theme, "The Next Generation: Strength, Vision & Legacy," celebrates not only the achievements of the past but the bright future ahead, empowered by the strength of our young leaders, the vision of our communities, and the legacy of our ancestors.
